Thank you for this TD Freya.

Ben - Terrie and I would like to schedule a kickoff call with you today (8/25) if possible to be sure we are all on the same page about this TD. As you know, the CAG would like Terrie to attend their technical meeting on 8/31 in person. If you are not available for a call today, can you please confirm your approval of Terrie's attendance at the meeting on Monday in order for her to gather information for us to include in the project approach. We would like for her to be able to make her travel arrangements.

Best,

Kirby

Hi Emily and Terrie.

Attached is a directive continuing support for the West Lake Landfill community and CAG. Ben Washburn is the CIC for the site and the project lead. Please let Tina, Ben and me know if you have any questions regarding this directive.
